The North Carolina Pottery Center is a non-profit Museum and Center with a mission of promoting public awareness of the history, heritage, and ongoing tradition of pottery making in North Carolina. We accomplish this through exhibitions, educations, outreach, and visitor services. Now you have an opportunity to become a Premier Pottery Patron!

If you are a collector of North Carolina pottery and would like to participate in exhibits by loaning a piece or pieces as a part of future exhibits we invite you to be a part of a listing of North Carolina pottery collectors for our future use. This listing will also enable us to keep you informed of upcoming exhibitions and allow us to reach out to you if a portion of your collection will fit into a future exhibit.

Please fill out the form below if you are interested in being a part of this listing and return to the NCPC at *P.O. Box 531, Seagrove, NC 27341*.

All information will be kept confidential and no information is ever sold or shared.
